

FOR IMMEDIATE RELEASE

Vista Projects' Employee-Owned Business Structure Secures Success for Company and Clients

Engineering Firm Expands Company's Shareholder Pool by Including Key Personnel

September 21, 2009 (Calgary, AB) – Vista Projects Limited (Vista), a leading multi-discipline Calgary-based technical engineering firm, announced the addition of ten key personnel to owners of the firm, thereby expanding the number of owners to nineteen. Vista's unique employee-owned business structure provides the best possible results for Vista and its clients.

"We are one of the few privately held organizations that believes in and shares ownership opportunities with our key people. By doing this, Vista is able to attract and retain the most talented professionals who have a vested interest in long-term success of our clients and their projects," said Alex Campbell, Founder and Principal of Vista Projects. "We have selected our shareholders based on their exceptional performance and commitment to Vista and our clients."

Vista provides engineering services for a wide range of projects. Key project personnel comprise of owners of Vista, influencing corporate direction and increasing client accountability. This encourages the highest quality work that delivers maximum value to our clients.

Joining Vista's nine current owners are Amit Varma, MBA, Bashar Hussien, Ph.D., Brian Bewcyk, Colin Tough, B.Comm., Ian Beales, P.Eng., Jeff Young, P.Eng., Jinning Li, P.Eng., Justin Purdie, BAH Econ, Ray Akl, P.Eng., and Scott Mussbacher, M.Sc..

About Vista Projects Limited

Vista Projects Limited (<http://www.vistaprojects.com>) is a multi-discipline, technical engineering firm providing solutions to energy firms in Western Canada. While Vista has been active in all aspects of the oil and gas market, it has grown to become a leading engineering firm for thermal energy projects, working on some of the most successful in-situ heavy oil projects in the Alberta oilsands.
